Ask 3 Questions

Become more involved in decisions about your healthcare. You may be asked to make choices about your treatment. To begin with, try to make sure you get the answers to three key questions:

1. What are my options?
2. What are the pros and cons of each option for me?
3. How do I get support to help me make a decision that is right for me?

How We Use Your Information

For details on how we collect, use and store the information we hold about you, please take a look at our "how we use your information" leaflet which can be found on the Trust website:

https://www.wwl.nhs.uk/patient_information/leaflets/

This leaflet is also available in audio, large print, braille and other languages upon request.
For more information please ask in the department/ward.

Is your child ready for school?

Patient Information

School Nursing and Health Visiting Service

Author ID: MG
Leaflet Number: CM 173
Version: 1
Name of Leaflet: Is your child ready for school?
Date Produced: August 2020
Review Date: August 2022

Introduction

In September your child's care will pass from the Health Visiting Team to the School Nursing Team.

Now is the time to ensure your child is ready for school. If you have any concerns preparing your child for school, such as toilet training, washing hands, using a knife and fork, dressing and undressing please contact your Health Visiting Team or your School Nursing Team on the telephone numbers below for further support and advice.

School nurses are specialist practitioners that work across education and health to provide a link between school, home and the community. Your School Nurse Team can provide:

- Health assessments
- Home visits
